Architectural floor plan of the first floor of the 'CASA' in S. Maria del Rio. The plan shows a rectangular building with a central staircase. The left wing contains a 'BAGNO' (bathroom) and a 'SOFBITTA' (kitchenette), both with a sink (S.P.) and a window (Luminaria). The right wing contains a 'SOFBITTA' (kitchenette) with a sink (S.P.) and a window (Luminaria). The plan includes dimensions for the building's footprint, room areas, and window sizes. The overall dimensions are 77.14m by 45.5m. The building is surrounded by a 5.5m wide area, and the total area is 4.78m by 4.65m.

Architectural floor plan of the first floor (Primo Piano) of a house. The plan shows a central staircase connecting two levels. To the left is a bathroom (BAGNO) with a shower (S.P.) and a toilet (WC). To the right is a living area (SOFFITTA) with a fireplace (F) and a toilet (WC). The plan includes various dimensions for walls, openings, and overall room sizes. The total area for the living area is 23.21 sqm, and for the bathroom is 11.05 sqm. The overall dimensions of the house are 4.5m by 4.63m.
